Choir Camp 2010

*6 SING HIS MAJESTY *9*

President's Day Weekend — February 12-15, 2010
Camp Magruder

Invite your friends and escape to the beach for a weekend of great music, worship and fun. With something for everyone, Choir Camp attracts singers from all over the conference. Enjoy singing in a large choir, take individual voice lessons, try one of the creative workshops or take relaxing walks on the beach. Do you play the violin, flute, brass, guitar, etc.? Bring your instruments as some musical selections may include instrumental accompaniment. This weekend is welcoming to every singer! Seasoned singers will find a challenge and beginners are welcomed and encouraged (high school students under age 18 must attend with parent or adult guardian). Bring something "special" to perform in Saturday night's Variety Show. The weekend ends with a Sunday evening concert and Monday Morning Surprise.
