

## Background Check Information for Volunteers / Staff

**Camp & Retreat Ministries has an online system for PROCESSING confidential criminal background checks. CAMPING MINISTRY'S VOLUNTEERS MUST COMPLETE A CONFIDENTIAL CRIMINAL BACKGROUND CHECK BEFORE SERVING.**

Because our camps strive to be safe sanctuaries for children and vulnerable adults, **any volunteer over the age of 18 serving at a camp where children, youth, or vulnerable adults are present, must initiate the process for a confidential criminal background check** to be completed for Camp & Retreat Ministries of Oregon & Idaho\* (Cost: \$3.95).

Please visit the "[volunteer / become a volunteer page](#)" on the [gocamping.org](#) website to find the link and password to the secure and confidential background check webpage.

*\*Exception:* If you ran a background check for Camp & Retreat Ministries in 2011, you do not need to do it again this year. (Background checks must be done every 3 years.)

Please complete your background check BEFORE you arrive at camp. (If you will be serving at more than one site, you only need to run your background check once, before the first event for which you are serving.)

If you have difficulty with the background check website, or are unable to pay, please contact the following person for the site you will be serving:
